During this event, you will learn and practice firearm safety and handling. The Women of the NRA and the PCGC (Polk County Gun Club) provide a comfortable, safe environment along with individual access to PCGC instructors.

Pre-registration cost is \$25. Register early! Limited space available! Your registration fee includes lunch, ammunition, targets, use of shotguns, .22 caliber handguns, .22 caliber rifles, and ear/eye safety equipment. If you plan to shoot your own firearm, please bring proper ammunition.
